- 1. Purpose:** to re-affiliate with ITEA; filled out forms to be sent in to the main office; Christine L. will complete paperwork and mail in by November 1st; Bob L. will continue to be our affiliate representative; created a list of those activities and events sponsored and supported by NHTEA, they are as follows: help sponsor the annual NH TSA conference; assist in running the NH TSA state conference as judges, event coordinators, etc.; will participate in the New England Aerospace Education Teacher Workshop in the spring; participate in the Air National Guard Awareness Flight program; NHTEA members are currently mentoring Alternative IV certification candidates in Technology Education; NHTEA members provide workshops at the NEATT conference annually in Worcester, MA;
- 2. Treasurer's Report:** current balance of \$2,537.94; need to elect a president as check writing requires two signatures, the president and the treasurer;
- 3. Teacher of the Year/Program of the Year:** Ray R. and Dan C. will compose a letter for the December meeting calling for nominations for both categories; goal is to have a Technology Educator recognized at the 2006 Edies, recognized at the Fall 2006 NEATT conference and then recognized at the 2007 ITEA conference;
- 4. Teacher Workshops/Activities:** discussion of reviving our Summer Institute in 2 years as a three day event in conjunction with CADD camp; Dan C. will speak with Dick Amarosa about a possible 'working' workshop where our membership does some service oriented activity that is educational; members provide a NHTEA sponsored social for TSA advisors at the state conference/competition next spring;
- 5. Executive Board:** for the current year, the following officers have been selected:
